OLIVER B. OWEN, also known as Jerry and Curly, [REDACTED] Santa Ana, California, telephone [REDACTED], appeared at the FBI for interview with prior arrangements for the interview having been made through his attorney, GEORGE T. DAVIS. OWEN appeared at the office with [REDACTED] a private detective and [REDACTED] a former Deputy Sheriff in Napa County. Both of these men were acting as body guards for OWEN. Prior to the interview, [REDACTED] advised that OWEN had been under sedation and was somewhat tired. OWEN was interviewed out of the presence of [REDACTED] and [REDACTED].

At the outset of the interview, OWEN was advised that he was being interviewed concerning his knowledge of an individual whom he had identified to his attorney DAVIS and the press as possibly being identical with SIRHAN B. SIRHAN and the fact that he has stated that he had received threatening calls from persons unknown.

OWEN furnished the following information:

On June 3, 1968, he was in downtown Los Angeles on business between 3:30 and 4:00 p.m. He explained that he has part interest in a fighter named RIP O'RILEY. He also is a minister and has been since 1937. He said that he has approximately fifteen ponies which he keeps at his ranch at Santa Ana and takes these horses around to shopping centers to give free rides to children to get them to come to church. He said that his church is located in Oxnard, California, and that he kept some of the ponies at his ranch in Oxnard. His purpose for being in Los Angeles on June 3, 1968 was to pick up some sporting goods for O'RILEY at the United Sporting Goods Store. He picked up a pair of boxing shoes, a white robe, some trunks and other equipment.

He had purchased his merchandise at the sporting goods store and was proceeding on Hill Street. He stopped

at a stop light and two individuals approached his truck. He said he was driving a 1942 Chevrolet pick-up truck which had a large palomino horse ornament on the hood. When the two young men approached his truck, the taller of the two asked if he was going out Wilshire Boulevard and when he said that he was, this individual asked if they could ride in the back of the truck, to which OWEN agreed. He described these individuals as follows:

Number 1

| | |
|------------|--|
| Age | Early twenties |
| Height | 5'8" to 5'10" |
| Build | Slender |
| Hair | Black, bushy |
| Complexion | Dark, appearing to be of Latin American origin |
| Wearing | Sandals, two-tone Mexican type jacket, possibly a vest and a chain around his neck with a medallion thereon. |

Number 2

| | |
|------------|--|
| Age | Early twenties |
| Height | 5'3" |
| Build | Slender |
| Hair | Dark, bushy |
| Complexion | Dark, with Latin American appearance |
| Wearing | Dark colored khaki levi type pants, dark gray sweatshirt and wearing tennis shoes. |

They proceeded west on Wilshire Boulevard. At the intersection of Vermont and Wilshire, OWEN stopped for a traffic light and as he did so, both men got out of the truck. Number one went directly to a bus stop near where the truck stopped and greeted a man and woman. The man was about thirty to forty years of age and dark complected, possibly Mexican. The woman was dressed in slacks with long dirty

blond hair, light complexion, possibly a hippie. Number two started to follow Number one but turned around and came back to the truck. He opened the door and asked to ride up front to continue toward Hollywood. When OWEN nodded approval, he climbed in the front seat. They proceeded on leaving Number one at the bus stop.

During the ride, the conversation of horses came up and Number two asked OWEN if he owned horses and he said that he did. Number two remarked that he use to work at a race track and at present needed a horse. OWEN said that he had horses for sale and offered to sell him one for \$300. They talked some more about buying and selling a horse and Number two asked OWEN if he could stop for a short time so that he could see a friend who worked in a kitchen nearby where they were at the moment. OWEN said he turned off Wilshire Boulevard onto a side street, the name of which he does not know. He described the street as a deadend street that was several blocks long. He parked the truck and waited while Number two went to see his friend.

After a wait of about ten minutes, OWEN decided that Number two was not going to return so he began to turn the truck around and leave. As he was doing this, he observed Number two come through an opened gate in a fence behind which was a tall building with many rooms. OWEN said that he was later advised by a police officer of the Los Angeles Police Department, University Station, that this building was the Ambassador Hotel.

When Number two got back in the truck, OWEN again began making conversation and asked the man if he was Mexican. He told him that he was not, saying that he was from Jordan having either come from Jordan thirteen years ago or when he was thirteen years old. OWEN could not recall which he said. He said that his name was JOE and gave a surname which OWEN did not understand, but which OWEN believed sounded like ZAHARIAS. OWEN said at about this time, he was arriving at his destination, that is a shoe shop and tailor shop where he was going to leave the boxing shoes and the robe for O'RILEY to have shamrocks put

on. He said that he parked the truck in the Hollywood Ranch Market's lot and took the shoes to a bootblack named SMITTY. While he was conducting this business, Number two stayed in the truck. He returned to the truck and drove a few blocks and let Number two out on the corner of Wilshire near a bowling alley and a go-go topless bar. Before he left Number two agreed to meet OWEN at 11:00 p.m. on the same corner at which time he would have the money to buy the horse.

He met the fighter O'RILEY that evening and left him shortly before 11:00 p.m. and arrived back at the agreed meeting place and observed a 1958 or 1959 Chevrolet, off-white in color, in which there were three men and a girl. OWEN believed that one of the men and the girl may have been the same couple that Number one was talking to earlier at the bus stop. He could not get a good look at the second man in the car. Number two came over to the truck and showed him a \$100 bill saying he would have the rest of the money the next day early in the morning. OWEN told him he would stay overnight in Los Angeles and pointed out a hotel which was either St. Mark's or St. Martin, which would be where he would stay. He registered at this hotel as J. C. OWEN and requested the clerk give him a call at 8:00 a.m. However, he said that he was up at 7:00 a.m. and just as he was leaving the hotel he received a call from a man asking if he was the man with the pick-up and horse. OWEN acknowledged that he was and said he would meet him in a few minutes at the truck. As he was going to the truck he saw the same white car as before parked at the curb and Number one and the girl whom he saw before, were sitting in the car. The man who had been at the bus stop was standing by the truck and as OWEN approached he said "JOE could not make it". He offered OWEN a \$100 bill and asked if he could bring the horse to the same location that night at which time the remainder of the money would be available. OWEN did not take the money and explained that he would not be able to deliver the horse that night because of a prior commitment that he had in Oxnard. He left the man, giving him his business card, which had his home address and an unlisted telephone number and requested that JOE call him if he was interested in the horse. OWEN then proceeded to Oxnard on business and returned to Los Angeles the morning

of June 6, 1967.

OWEN said he went to the Coliseum Hotel to see a man, BERT, who owns the restaurant and bar in the hotel. He had, at this time, three ponies in his trailer, which he had obtained in Oxnard. While in the restaurant he learned of the KENNEDY shooting hearing it on television. Someone gave him a copy of the "Hollywood Citizen News", which contained a picture of SIRHAN B. SIRHAN, which he noted looked like the man he knew as JOE. He discussed this with BERT and other of his friends in the restaurant and they suggested that he go to the Los Angeles Police Department, University Station, which was nearby and tell them what had occurred. At first he said that he did not want to do this, but they convinced him that as a good citizen this would be the thing to do. That same day, he went to the Police Department and gave them the same story that he was now relating. He said that he was at the station from about 2:00 p.m. to 7:00 p.m.

On June 6, 1968, several phone calls were received at his residence which were answered by his wife and daughter and on each occasion, the person calling hung up without saying anything. When the phone rang again, OWEN said he answered it and the caller said "Keep your mother blanked blank mouth shut about the horse deal". He believes the caller was a man but his voice was not familiar.

On June 18 or 19, 1968, OWEN received a call from the Los Angeles Police Department requesting that he come downtown to the Detective Bureau on the third floor between 1:30 and 2:30. He took another man named PERKINS with him. When he arrived, the officer on duty asked him to wait, saying that the officer who wanted to interview him was going to be a little bit late. OWEN explained to them that he was on his way to Phoenix and desired to proceed with the interview if possible. After a few minutes wait, the interview proceeded. He said he was handed a number of pictures and asked to pick out the picture of the man who looked like the one who had ridden with him in the truck. He said that after looking through the pictures, he picked out one stating that this man looked similar to the man whom he had given a ride. He recalls that PERKINS asked

the officer if the picture was SIRHAN B. SIRHAN and the officer said that he could not answer this question. At the time of this interview, he told the officer that he had received a threatening call and that he would be staying in Phoenix for approximately one week.

On June 22, 1968, OWEN said that he received another call with the caller again using profanities, stating something to the effect "Keep your mother blankedy blank mouth shut or your family may be hurt". OWEN stated that no further calls or threats have been received.

She stated that approximately three miles from Colfax, Washington, he again asked how far it was. She once again told him that it was about three miles to Colfax and from there about an hours drive to Spokane. [REDACTED] stated that at this time [REDACTED] informed them that he had a gun pointed at [REDACTED] head and that he was naked and if either girl looked back he would shoot. He told [REDACTED] to continue driving. [REDACTED] stated that he did not tell her where to drive and so when she reached Colfax, Washington, she turned towards Pullman, Washington, instead of going toward Spokane. She stated that the reason she turned toward Pullman was that the traffic is usually heavier between Pullman and Colfax and there are more farm houses between Pullman and Colfax than there are between Colfax and Spokane.

[REDACTED] stated that while going through Colfax, Washington, they observed a Colfax policeman and this seemed to make [REDACTED] extremely nervous. He attempted to cover himself up and keep low as to not be observed. She stated that when he was aware that they were going toward Pullman it did not seem to upset him.

[REDACTED] stated that he informed them that he had killed two policeman and had wounded more men. [REDACTED] stated that she asked him if he did this to everyone that gave him a ride and he informed her that it had just been men in the past that had given him trouble and that he didn't like to kill women. [REDACTED] stated that he then asked them if they had heard of the KENNEDY assassination and the killing of MARTIN LUTHER KING. [REDACTED] stated that they had informed him that they had and he then stated that he had been in on those killings and so he was not afraid to use a gun.

[REDACTED] stated that as they proceeded toward Pullman, Washington [REDACTED] informed them that he was going to have

them undress and take their car and their money. [REDACTED] emphasized the fact that he was not going to in any way molest either of them.

[REDACTED] stated that outside Colfax, Washington, they passed a dirt road and at this time he ordered her to stop the vehicle and back up. She stated that she told him that she could not back up and then he informed her to turn around. [REDACTED] stated that she turned the vehicle around and headed back toward Colfax, Washington. As they passed a road, now known to her as the Albion Road, he told her to turn. She stated that they drove about five miles up the road away from the highway at which time he ordered her to stop the vehicle.

[REDACTED] stated that [REDACTED] told her to get out of the vehicle and go to the left side of the road. She stated that [REDACTED] then got out on the same side of the vehicle, the driver's side. He told [REDACTED] not to look but at this time [REDACTED] turned around to see what was happening and he then ordered her to get out of the vehicle on the driver's side of the car. Both girls were told to cross the road while [REDACTED] stayed by the car. He then told them to undress. [REDACTED] stated that they did as they were told and while undressing she noticed that [REDACTED] had a gun in one hand and had a pair of dark pants on but did not have a shirt on. She stated she did not observe whether he had shoes on.

[REDACTED] stated that after undressing, he then ordered the girls to leave their clothes where they had piled them on the side of the road and to walk in the direction of what is now known to them to be Albion. She stated that the car had been left running and the headlights were left on. She stated that they walked away from the vehicle until they were out of sight of the car headlights and then moved off the road in to the ditch where they stopped walking and sat down in an area which was hidden from the road. [REDACTED] stated that at no time had [REDACTED] made any advances whatsoever toward either girl. She stated that at the time they had undressed and were walking down the road, she looked at her watch and it was 2:30 AM, August 14, 1968.

[REDACTED] stated that she and [REDACTED] remained in the side ditch for approximately ten minutes and didn't hear any sounds coming from the direction of the car. She stated

that she then heard what they thought was the trunk being closed and a short time after that the vehicle moved in their direction. She stated that [REDACTED] drove past them and did not appear to notice either girl hiding in the ditch. She stated that he proceeded in the direction of Albion, Washington, and this is the last time that she had seen either [REDACTED] or the vehicle.

This was pretty close to Colfax, Washington. We drove for about 5 or 6 miles and I ordered the driver to stop the car.

"I then ordered both women to get out of the car. I had a gun in my right hand, pointed at the ground.

"I then ordered both women to take all their clothes off. They took their clothes off and placed their clothing on the ground. I then told them to start walking, the same direction the car was headed.

"I picked up their clothing and put them in the back seat of the car. I drove along the road the same direction the women were walking. I must have passed the women because I did not see them after I started driving the car.

"I drove for about 3 miles and got back on the main, blacktop, highway, the highway between Colfax, Washington and Pullman, Washington.

"I drove along the highway, towards Pullman, for about 5 miles where I stopped along the right side (west) of the highway. I got out of the car with the women's clothing, walked across the highway and tossed the clothing along the left side (East) of the highway.

"I then drove through Pullman, Washington and South toward Lewiston, Idaho.

Information was received by the Los Angeles Office of the FBI in late June 1968, that SIRHAN BISHARA SIRHAN had eaten at the Red Lion Restaurant in Pomona, California, on a number of occasions. It was further indicated that SIRHAN was well known to the waitresses at the Red Lion Restaurant.

The following investigation was conducted by SA [REDACTED]

AT POMONA, CALIFORNIA

Various attempts were made to contact LOUISE KALSO (phonetic) at the Red Lion Restaurant, Foothill Boulevard, and North Garey Avenue.

On July 30, 1968, CAROL TAVER, head waitress, Red Lion Inn, Foothill Boulevard and North Garey Avenue, advised that LOUISE KELLIS is a waitress employed by the Red Lion Inn, however she is on an extended vacation in the east and it is unknown exactly when she will return.

Mrs. TAVER was asked regarding her knowledge as to the information that SIRHAN SIRHAN was well known to the waitresses at the Red Lion Inn. Mrs. TAVER stated that this is strictly a rumor inasmuch as there was an individual who had eaten at the Red Lion Inn on several occasions prior to the murder of Senator ROBERT KENNEDY and that they have not seen the individual since the murder. She stated that after pictures came out in the newspapers of SIRHAN SIRHAN, there were remarks made that the individual who had eaten there resembled SIRHAN SIRHAN very much and it was felt possible by some of the girls that this was SIRHAN SIRHAN. She stated, however, that none of the waitresses at the restaurant were personally acquainted with the individual other than having waited upon him several times and that none of the waitresses know any personal background or any personal information whatsoever about this individual, in fact they do not even know his name, nor do they know that this is the same individual known as SIRHAN SIRHAN.

Mrs. TAVER stated that she is quite certain that LOUISE KELLIS has no further information than any of the rest of the girls regarding this individual.

INVESTIGATION CONCERNING RUMOR
CIRCULATING IN ISRAEL, IRAQ, AND
EUROPE IN MID-MAY, 1968, THAT
SENATOR ROBERT KENNEDY HAD BEEN SHOT

1
LA 55-156

On June 11, 1968, Mrs. HUBERT RITCHIE, of [REDACTED] advised the Atlanta, Georgia Office of the FBI that she was present in the Holy Land on a Brownell Tour from May 4 to May 20, 1968. On either May 16 or May 17, 1968, JACOB MENIGMAN, Israeli guide, advised members of the tour that ROBERT KENNEDY had been shot. The guide had no further information. The guide made the same statement on subsequent mornings in response to questioning from tour members, but never retracted his statement. Mrs. RITCHIE said there were eleven other members in the Brownell Tour No. 216 (Holy Land Portion) all of whom heard the statement made by the guide. She said these tour members were from all over the United States and she could only recall a Reverend Mc CRACKEN (phonetic) an Episcopal Minister from Cleveland, Ohio.

On June 12, 1968, Mrs. JACKIE WOOD, Brownell Tours, Birmingham, Alabama, advised the Birmingham Office of the FBI that thirteen people from throughout the United States were present in the group on the above described Holy Land Tour. This group was directed by Mr. C.E. (JACK) KERNS, [REDACTED] Street, Philadelphia, Pennsylvania. Other members of the tour group were as follows:

Mrs. WOOD further advised that KERNS would be the individual most likely to have established contact with Israeli guide JACOB KENIGIAN.

Reverend W. OLIVE Mc CRACKEN, St. Paul's Episcopal Church, 3071 North Park Boulevard, Cleveland Heights, Ohio, advised the Cleveland Office of the FBI on June 12, 1968, that he was a member of Brownell Tour No. 216 in the Holy Land during the period of approximately May 14 to May 22, 1968.

On May 16, 1968, the group lunched at the Semadar Hotel Restaurant in modern Caesarea. At approximately 1:30 p.m., he heard the rumor that an attempt had been made on the life of Senator ROBERT F. KENNEDY in Milwaukee, Wisconsin. Rumor further indicated that Senator KENNEDY was still alive, but in critical condition.

3
LA 56-156

Mc CRACKEN advised that the news prompted highly emotional reaction which partially clouds his recollection, but that his current recollection is that information regarding Senator KENNEDY came from the tour guide, JACOB HENIGMAN. Mc CRACKEN stated that the tour guide advised he had heard news "on the air" implying radio broadcast. Mc CRACKEN stated the guide indicated the news was in Hebrew language. Mc CRACKEN possessed no information regarding identity or location of station.

Mc CRACKEN stated further attempts to confirm the rumor were completely negative. He stated that no information was heard on the radio and nothing appeared in Israeli newspapers concerning this matter. Mc CRACKEN then assumed the rumor to be false and made no further inquiries concerning it.

On June 13, 1968, SYLVIA FOGELSON, [REDACTED] Verona, New Jersey, advised the Newark Office of the FBI that on May 16 or 17, 1968, she was a member of a tour, name not recalled, in Jerusalem, and while in the Jordanian section, an unknown Arab male told them that Senator KENNEDY had been shot. Mrs. FOGELSON said the man gave no further details, and was not seen again. She said she supposed it was a joke and later after Senator KENNEDY was shot decided to make this information available.

On the same date, Mrs. ELIZABETH SINTON, [REDACTED] New Jersey, also advised the Newark Office of the FBI that she was on the Brownell Tour in Jerusalem during mid-May 1968, but at no time heard the guide or any other person mention that Senator KENNEDY had been shot.

On June 13, 1968, JOHN KROGNES, [REDACTED] Cleveland, Ohio, advised the Cleveland Office of the FBI that he was present in the Holy Land with the Brownell Tour from approximately May 14 to May 22, 1968.

KROGNES stated that on May 16, 1968, the tour group

KROGNES could not attribute this information to the Israeli guide JACOB HENIGMAN, however, he did inquire of HENIGMAN if he had heard any news regarding this incident, and HENIGMAN replied in the negative.

KROGNES stated that he did not hear any further comments regarding this matter, that nothing was observed in Israeli newspapers, nor did he hear any broadcast concerning same, so assumed it was a rumor and made no further inquiries.

ALL
b7C On June 13, 1968, Mr. and Mrs. J.B. LOVE, [REDACTED] Jackson, Mississippi, advised the Jackson Office of the FBI that they had been on a Brownell Tour in the Holy Land from May 14 to May 20, 1968. On about May 15 or 16, 1968, Mr. LOVE said he heard someone in the tour group mention that ROBERT KENNEDY had been shot in the United States. He could not recall which member of the group said it but believed that one member of the group had heard it from a third party. The alleged shooting was discussed by members of the tour for about three hours on the day it was mentioned, however, no further mention of it was made on subsequent dates to their knowledge.

Neither Mr. nor Mrs. LOVE had ever heard JACOB HENIGMAN, Israeli tour guide known as "JAKE", make any statement concerning the United States or the political conditions of the United States. They did not hear the guide say that KENNEDY had been shot, and neither of them believed that the guide actually made the statement.

[REDACTED] and Mrs. GENEVA VOLPE residing at [REDACTED] in Dearborn, Michigan, both advised they did not hear any comments or statements made by anyone during their tour of the Holy Land relative to Senator KENNEDY being shot. They both said one of the Israeli guides was called JAKE, however, they could not recall his full name. They said JACOB HENIGMAN could have been the guide whom they knew as JAKE. They said they arrived in the Holy Land on May 14, 1968, and left during the afternoon of May 22, 1968.

The following investigation was conducted by SA [REDACTED] at Austin, Texas, on July 3, 1968:

Miss ALICE DEETER PEEL, [REDACTED] home residence [REDACTED] advised she was on tour throughout Europe and the Middle East during the period from May 12 through July 2, 1968. She stated the first portion of her tour was sponsored by Brownell Tours.

PEEL advised she departed New York on the evening of May 13, 1968, via Transworld Airlines, Flight 840, and arrived in Tel Aviv on the afternoon of May 14, 1968. She remained in Tel Aviv through May 16, 1968, and then departed by bus en route to Haifa, Israel. She indicated that the guide for the tour during this portion of the trip was JACOB HENIGMAN. PEEL advised that on the morning of May 17, 1968, she and members of the tour were on a full-day excursion and were en route to Tiberias. While at a rest stop she recalled that a member of the tour, whose identity she did not recall, asked her if she heard that KENNEDY had been shot. Miss PEEL stated this was the first time that she had heard this remark but that later it seemed that the rumor then spread like wildfire and the tour members were questioning each other as well as the guide for further details. Miss PEEL indicated that she could only assume that possibly the tour guide, JACOB HENIGMAN, had told the director of the tour, Mr. JACK KERNS, that KENNEDY had been shot. Miss PEEL stated unequivocally that at no time did she hear either the director or the tour guide, JACOB HENIGMAN, make a direct statement concerning KENNEDY.

b7c 6
55-156

Miss PEEL stated she was not aware of the original source of the information that KENNEDY had been shot; however, she assumed that possibly the source was a broadcast over the Israeli radio. PEEL advised that tour members did question the guide, JACOB HENIGMAN, for further details; however, the guide indicated he had no further information. Miss PEEL advised that the guide, upon subsequent questioning the next day after periodically listening to the news broadcasts over the radio, replied that "No news is good news."

Miss PEEL advised that on the morning of May 18, 1968, tour members continued to question the tour guide for any further details regarding KENNEDY, however, the tour guide indicated again that he had no further information. She stated that the tour guide did periodically listen to news broadcasts on the radio and upon questioning would indicate to tour members that the broadcasts contained no news concerning KENNEDY. Miss PEEL advised she can only assume that possibly there may have been some error in reporting a news item concerning KENNEDY.

MAX HERMAN, residing at [REDACTED] Apartment [REDACTED] home telephone [REDACTED] furnished the following information:

Mr. HERMAN said he had previously given some information concerning Senator ROBERT F. KENNEDY's assassination to the Los Angeles Police Department (LAPD), Rampart Division. He said he and his wife were on vacation during May and June, 1968, visiting various parts of the world. On May 16, 1968, they were in Caesarea, Israel, which is located near the Jordanian border. On this day at about 12:00 noon, they, along with other tourists, made a stop at the Semadar Hotel for lunch. As he and his wife entered the hotel lobby they heard a man demand that they be quiet. This man was wearing earphones and stated that Senator KENNEDY was shot in Los Angeles. HERMAN said he asked the man where he got his information and the man replied, "the BBC". This man did not give any more information. HERMAN said he then went to the hotel restaurant and told the other tourists of the news. The next day he bought a local newspaper but could not find anything in it pertaining to Senator KENNEDY being shot. He and his wife continued on their trip and arrived back in Los Angeles on June 3, 1968. He said on June 4, 1968, while watching television, he learned that Senator ROBERT F. KENNEDY was shot at the Ambassador Hotel in Los Angeles, California. Sometime later, when he heard on television that the Police Department had found a book in the house of accused assassin, SIRHAN SIRHAN, pertaining to the date Senator KENNEDY had to be shot, he felt he should call the police.

Mr. HERMAN said he was interviewed by [REDACTED] of the Rampart Division, LAPD, concerning his experience in Caesarea, Israel.

Mr. HERMAN said that his wife, ZELDA HERMAN, could furnish no further information other than he has already given.

On June 5, 1968, PAUL KULKA, [redacted] Burbank, California, advised SA [redacted] that he received a letter from his cousin on May 29, 1968. The letter was written in the Czechoslovakian language and it was written on May 16, 1968. Mr. KULKA said the letter stated that radio reports indicated that ROBERT KENNEDY was shot. The cousin, whom he identified as a 68 year old widow named LUDMILA VIACIL, resides at [redacted]. The cousin requested that KULKA write the details to her. KULKA said that in view of the advance information concerning the shooting of Senator ROBERT F. KENNEDY which actually occurred on June 5, 1968, this information might be of significance.

The above described letter was obtained from Mr. KULKA and was forwarded to the FBI laboratory for appropriate translation. The following is the translation of the letter as furnished by the FBI laboratory:

My dear ones,

I don't know whether I thanked you or replied to your last dear letter, but if this is the case, it was unintentional, and so now I will thank you twice. I am always very glad when I hear from you and your letters are very dear to me! The day before yesterday I received a letter from Greta Musilova which saddened me very much. Karel is gravely ill, as you know it well yourselves, and there is no hope for his recovery. The doctor gives him one year to live, and this is great suffering.

not only for him (he doesn't know it) but also for Greta. She has had more than her share of troubles already. I am very sorry for her and think of her all the time. Write to her soon, but in such a way that Karel could read it, too. So, I cannot write all about him (what Greta wrote to me). Mirek finished his course of study and now is waiting for a place (employment). He was here all of April when he finished his studies. He came down with his brother-in-law, who was going to Germany on official business, and so he stopped here, too. I was very pleased, because one never knows whether or not we will see each other again. We talked about you all. Last week he left and I wish very much that he finds something suitable; otherwise I suppose he will return (two illegible words). As you certainly know, things are a little more relaxed here. Freedom is the most precious thing one can have and we (the people) have not even suspected for the whole twenty years what an orgy has been carried on behind our backs. We hope for better times.

They announced over the radio this morning that Robert Kennedy was shot - for God's sake, what is going on - and it always happens to the best ones! When you write to me, Paul, tell me about it. As I became old, I became interested in politics and in everything around me. What about your house? Have you sold it yet? Do not hurry; you would miss it and the garden, and I would lose a pleasant memory about the place where I spent a number of nice days.

Is Lilinka well? I wish you both much health for as long as possible. I already feel my years, slowly but surely.

Irena will possibly fly again with Max to the U.S. for her (?) sons (?). She wrote to me to come with Emily to Vienna for three days. We shall see. Poor people, they have it so uncertain again - such is the world - disgusting!

I give my best regards to your children, also to the Goldsneiders - Tony and Flero (?). I think of you and kiss you.

Lucka (Ludmila).

IRA KATCHEN, [REDACTED]

Elaboron, New Jersey, [REDACTED] offices at Longbranch, New Jersey, advised the Newark Office of the FBI on July 11, 1968, that on May 14, 1968, he was staying at Hotel Esplanade in Prague, Czechoslovakia, with his son JULIUS KATCHEN, pianist. He said his son was playing in a recital on May 16 and May 18, 1968, at Prague.

On the morning of May 15, 1968, his son met some friends of his in the Hotel Esplanade and they heard on the Prague radio that ROBERT F. KENNEDY had been shot in California. These friends were very upset and were determined to find out what the story was. About an hour later it was determined that this was not true but several people had already heard this on the Prague radio. KATCHEN advised that CHARLES GORDON, head of the Joint Distribution Committee, was killed six months ago in Prague, reportedly by Arabs. He said that he is just assuming that there may be a conspiracy between the killing of GORDON and KENNEDY. He stated he is reporting this only because he believes there is possibly some link between this and the KENNEDY assassination. He stated he has learned that a tape of this broadcast in Prague can be obtained from the manager of the Hotel Esplanade, where he stayed.

On the same date, ANNA UHLIK, [REDACTED] Irvington, New Jersey, also advised the Newark Office of the FBI that on May 21, 1968, she received a letter from her sister MARIE KADIER, [REDACTED]

[REDACTED] advising that some time prior to May 16, 1968, she had heard over a radio broadcast that Senator ROBERT F. KENNEDY had been shot in the head and was not expected to recover. The letter continued that the next day there was a retraction denoting error in that information over the same radio station. According to ANNA UHLIK the letter gave no further information.

On June 11, 1968, Colonel MERLE R. PREBLE, United States Army (Retired), and [REDACTED] Washington, D.C., furnished the following information to the Washington Field Office of the FBI.

On Thursday, June 6, 1968, Lieutenant Colonel WILLIAM PULLUM, United States Army (Retired), who is Officer in Charge, of the United States Army International Rifle Team, United States Army Advance Marksmanship Unit, Fort Benning, Georgia, told PREBLE that ten days to two weeks prior to the assassination of Senator ROBERT F. KENNEDY the team was engaged in international competition in Czechoslovakia with European teams from there and the Soviet Union. PULLUM said that inquiries were made either of his team or of himself, as to whether they had heard of a plot to assassinate KENNEDY prior to the team's departure from the United States. PREBLE speculated that the inquiries could have originated from a GRU representative accompanying the Soviet team.

On June 12, 1968, Lieutenant Colonel WILLIAM C. PULLUM, United States Army (Retired), who is employed as coach of the United States Army International Rifle Team, Army Marksmanship Unit, Fort Benning, Georgia, furnished the following information to the Atlanta Office of the FBI.

On May 24, 1968, he was in Stockholm, Sweden, when Colonel ROBERT F. BAYARD, Commanding Officer of the Army Marksmanship Unit at Fort Benning, came to him from a shoot in Czechoslovakia. Colonel BAYARD asked PULLUM if he had read in a paper or heard an English broadcast, which BAYARD had heard in Czechoslovakia, that KENNEDY had been shot in the neck. PULLUM said he had not heard anything of this nature and told BAYARD he thought it was a rumor. BAYARD did not relate the exact source of information in Czechoslovakia, and PULLUM could not comment concerning the source.

FEDERAL BUREAU OF INVESTIGATION

Date 7/26/681

Colonel ROBERT F. BAYARD, Commanding Officer, United States Army, Marksmanship Training Unit, Fort Benning, Georgia, furnished the following information:

Colonel BAYARD and members of his shotgun team attended the Grand Prix de Brno at Brno, Czechoslovakia, May 17-18, 1968. On one of the above dates, the head clerk at the Grand Hotel, Brno, Czechoslovakia, where the members of the team were staying, mentioned that he had heard on the radio news that Senator ROBERT F. KENNEDY had been shot, receiving a flesh wound in the neck and was in satisfactory condition. The same information was obtained from the head waiter in the dining room of the Grand Hotel.

The members of the unit attempted to purchase some newspaper that they could read to verify the information and the only newspaper available that they could read was an East German newspaper. A review of this newspaper failed to reflect any story concerning the alleged shooting. Colonel BAYARD and the members of his unit assumed that it was just rumor and that it had no factual basis.

Colonel BAYARD had no further information concerning the statements and was unable to furnish the names of the head clerk at the Grand Hotel or the head waiter.

Mrs. FRANCES EVANS, [REDACTED] Cerritos, California, advised she attended an adult education class in Introduction to Philosophy from September, 1967, to January, 1968, at Fullerton Junior College. The instructor was KIM NAFFA. In addition to the class there discussion groups held at various places made up of interested individuals. NAFFA had many Arab friends that attended the discussion that were not members of the class. They discussed current problems in the mid-East and their problems with the Zionists and the like.

Generally those in attendance at these discussion groups had the viewpoint that there is a revolution now in progress in the world and on the campuses, which they favored. In general these people, if not pro-communist, were at least one world advocates.

NAFFA did not appear as radical as some of the people present but supported the Arab viewpoint.

During November, 1967, at one of the discussion groups held at NAFFA's home at [REDACTED] California, after the group had concluded, three or four Jordanians stopped in from Pasadena. Some were studying at Pasadena City College. One of those from Pasadena spoke with quiet desperation about how his father's land and home had been taken from them twice by the Zionists. He commented to the effect "to heck" with Philosophy, if the communists would help them why not go with them.

She said that later on after Senator ROBERT KENNEDY was shot, she saw a photograph of SIRHAN SIRHAN on TV. She said that she is 99 per cent sure that this was the person she saw at NAFFA's who talked about how his father's land and home had been taken.

In May 1963, exact date unrecalled, he attended a gathering in support of Senator ROBERT F. KENNEDY at the Embassy Room of the Ambassador Hotel, Los Angeles. According to TOLCH, this function was originally scheduled to include an appearance by Senator ROBERT F. KENNEDY, but featured Senator EDWARD KENNEDY when ROBERT KENNEDY was detained campaigning in San Francisco, California.

Shortly after arriving at the Embassy Room at approximately 9:30 p.m., TOLCH observed a dark-complexioned white male individual standing near a hallway leading from the Embassy Room to the kitchen area, approximately 15 feet from the side of the stage. TOLCH further described this individual as being 25 - 30 years of age, approximately 5'5", 140 pounds, thin build, very curly dark hair, and wearing blue jeans and a light colored pullover knit type shirt. Between 9:30 and approximately 11:30 p.m. when TOLCH left the hotel, he walked by the area near the kitchen hall three or four times and observed this individual standing in the same location. According to TOLCH, this individual appeared to be by himself. At no time did TOLCH observe this individual talk with anyone or circulate among the crowd.

TOLCH further advised that following the shooting of Senator ROBERT F. KENNEDY and the publication of photographs of SIRHAN BISHARA SIRHAN in local newspapers, he observed a photograph of SIRHAN and immediately recognized it as very closely resembling the above described individual he observed at the Ambassador Hotel in May 1963.

TOLCH was shown additional photographs of SIRHAN, including a photograph taken June 5, 1963, by the Los Angeles Police Department, and, after viewing same, advised that he is certain in his own mind that the individual he observed is identical to the photographs of SIRHAN.

HARRIET LESSNER, [REDACTED]
California, was interviewed at the [REDACTED]

the following information:

In mid-May 1968, she volunteered to work for Senator ROBERT F. KENNEDY in the Sherman Oaks area. About ten days before the assassination of Senator KENNEDY, she attended, along with her father and four year old daughter, a rally at the Ambassador Hotel, Los Angeles, California.

Just as she was entering the hotel with her daughter, she had conversation with an unknown white male concerning the excitement of her daughter at the prospect of shaking hands with Senator KENNEDY. In the course of this exchange, the man said, "Wouldn't it be something if she lives to tell about it." She thought this comment was very strange and simply said to the man that she certainly hoped her daughter would. After saying this to the man, she went on into the hotel to await the appearance of Senator KENNEDY.

While in the hotel waiting for Senator KENNEDY, she heard rumors that he was to come through the kitchen entrance into the Coconut Grove Room. In an effort to get close to the Senator, she went to the area of the kitchen entrance where she again observed the same man who had spoken to her concerning her daughter. The man was wearing a dark jacket and at the time she thought the jacket rather heavy in view of the fact the room was quite stuffy. Also, the man did not have on a tie and did not appear to be dressed for the occasion. Senator KENNEDY did not come through the kitchen entrance and when he did enter the room she lost sight of the man and did not see him again that night.

After the assassination of Senator KENNEDY, she observed photographs of SIRHAN BISHARA SIRHAN on television

Mrs. MIRIAM NEVILLE DAVIS was interviewed at her place of employment, [REDACTED] Compton, California. She advised that she resided at [REDACTED] Street, Compton, telephone No. [REDACTED] and that she was born on [REDACTED] at [REDACTED].

Mrs. DAVIS advised that on Sunday, June 2, 1968, she was at the Ambassador Hotel on Wilshire Boulevard in Los Angeles as a hostess for a reception in honor of Senator ROBERT F. KENNEDY sponsored by Assemblyman LEON RALPH. She stated that she arrived at the hotel at approximately 7:30 PM and that she and the rest of the individuals at the reception awaited the arrival of Senator KENNEDY in the Cocoanut Grove ballroom until approximately 9:00 PM, at which time Senator KENNEDY arrived. He spoke approximately for five minutes and then left, leaving the hotel by at least 9:30 PM.

Mrs. DAVIS advised that after Senator KENNEDY had left and the crowd had begun to disperse she and her daughter and husband went into the kitchen area on the same floor as the Cocoanut Grove ballroom looking for a place to get a drink of water. She stated that as they approached the kitchen they saw a man sitting on a bar inside the kitchen in dark pants and a T-shirt and she described him as a short, swarthy, bushy-haired individual. Mrs. DAVIS advised that she at first thought this man was a waiter and asked him where the water was and he replied that he did not know. By this she got the impression that he might not have been an employee of the hotel.

Mrs. DAVIS advised that after the assassination of Senator KENNEDY on June 4, 1968, when she saw the pictures on the television and in the newspaper, of the man known as SIRHAN BISHARA SIRHAN, she immediately recognized him as the same man that she had seen in the kitchen. She stated that she was fairly certain that it was the same individual and if it was not that it was someone who certainly looked exactly like SIRHAN.

The following interviews were conducted in connection with an allegation that SIRHAN SIRHAN was a member of the Organization of Arab Students (OAS).

The statements of ZIYAD IRRAHAIM HUSANI, OAS President, United States and Canadian Chapters and M. SAFOUH AL-AKHRASS, Western States Area Representative of OAS denying any affiliation of SIRHAN SIRHAN with OAS have been previously reported.

BASSAM F. HOUALLA, [REDACTED] Street,
Alhambra, California, furnished the following information:

He is the Chairman of the Organization of Arab Students (OAS), California State College at Los Angeles Chapter. Immediately after the shooting of Senator ROBERT F. KENNEDY, he conducted a check of his organization's records to determine if SIRHAN SIRHAN had ever been affiliated with that organization. This check did not reflect that SIRHAN SIRHAN had ever been a member or that SIRHAN SIRHAN had ever been on the organization's mailing list.

HOUALLA also contacted PAWAZ ZAIDAN, spokesman for the OAS, Pasadena City College Chapter, and ZAIDAN related that SIRHAN SIRHAN was not a member of the Pasadena Chapter nor was SIRHAN SIRHAN on the Pasadena Chapter's mailing list. ZAIDAN also related that SIRHAN was unknown to the membership of the Pasadena City College Chapter. HOUALLA explained that the OAS Chapter at Pasadena City College is an informal organization comprised of students attending night classes at the college.

According to HOUALLA, the National Headquarters of the OAS, 2929 Broadway, New York, New York, issued a memorandum to all OAS Chapters shortly after the shooting of Senator KENNEDY, advising that SIRHAN SIRHAN was in no way associated with OAS. M. SAFOUH AL-AKHRASS, [REDACTED] California, Apartment [REDACTED] is the area representative of the National Headquarters of OAS and he, too, shortly after the assassination of Senator KENNEDY, disclaimed any association of SIRHAN SIRHAN and the OAS.

FAWWAZ H. ZEDAN, [REDACTED]
Pasadena, furnished the following information:

He is the chairman of the Pasadena Chapter of the Organization of Arab Students (OAS). This chapter is described by ZEDAN as predominantly a social group and is composed largely of Arab graduates of Pasadena City College. However, this chapter is not officially recognized or affiliated with Pasadena City College.

ZEDAN stated this chapter does not maintain a mailing list and held only three meetings last year. At these meetings, which were held at Pasadena restaurants, the main activities were of a social nature and a formal agenda was not followed.

ZEDAN disclaimed any knowledge of SIRHAN SIRHAN and stated that SIRHAN SIRHAN was not a member of the Pasadena Chapter of the OAS. Nor did SIRHAN SIRHAN ever attend any meeting of the Pasadena OAS.

ZEDAN does believe, however, that his brother, FAWZI ZEDAN, was acquainted with SIRHAN SIRHAN as they were fellow students at Pasadena City College. FAWWAZ ZEDAN could not describe the extent of his brother's relationship with SIRHAN SIRHAN.

FAWZI ZEDAN, [REDACTED] Pasadena,
furnished the following information:

He arrived in the United States from his native Syria on December 5, 1963, at the port of New York under a student visa. He immediately journeyed to California and enrolled at Pasadena City College (PCC) for the Spring semester of 1964.

During the Fall semester of 1964, he met SIRHAN SIRHAN, a fellow PCC student, in the school cafeteria where Arab students frequently congregated. He described his relationship with SIRHAN as a casual acquaintanceship, which was limited solely to the PCC campus or Bob's Coffee Shop which neighbors the PCC campus.

ZEDAN believes SIRHAN SIRHAN left PCC about February 1965, however, SIRHAN would frequently drop by the school cafeteria to pass the time of day with Arab students. On those occasions when ZEDAN observed SIRHAN entering or leaving the cafeteria, SIRHAN was always alone, and ZEDAN did not believe that SIRHAN ever visited the cafeteria to see any particular person.

ZEDAN last saw SIRHAN SIRHAN approximately five days before the assassination of Senator ROBERT F. KENNEDY. SIRHAN came into Bob's Coffee Shop while ZEDAN was waiting to be seated, and they engaged in a brief conversation. SIRHAN kidded ZEDAN about still being a student at PCC after five years, and ZEDAN explained that he had graduated but still liked to spend his spare time at Bob's. SIRHAN, who was alone, appeared calm and relaxed to ZEDAN but declined ZEDAN's invitation to coffee and left the restaurant.

nature. Approximately five months after the Arab-Israeli conflict of 1967, SIRHAN approached ZEDAN in Bob's Restaurant and stated, "Well, they lost." Not having seen SIRHAN since prior to the conflict, ZEDAN did not understand SIRHAN's comment, and he asked SIRHAN what he meant. SIRHAN explained, "Back home." ZEDAN then understood SIRHAN to be referring to the conflict but did not comment, except to answer, "Yes." In ZEDAN's opinion, although SIRHAN was smiling, the tone of his (SIRHAN's) voice was bitter, but the conversation ended then, as SIRHAN left the restaurant. Again SIRHAN SIRHAN was alone.

ZEDAN concluded that he was not aware of any close friends or acquaintances SIRHAN SIRHAN might have had. SIRHAN was not a member of the Pasadena Chapter of the Organization of Arab Students (OAS), and SIRHAN did not attend any of the functions sponsored by the OAS.

Mrs. ILAN said that Senator ROBERT F. KENNEDY had given a speech at Temple Isaiah on the evening of May 20, 1968, sometime between 3:00 and 10:00 p.m. The only films, which she had knowledge of being taken of Senator KENNEDY at that time, were individual shots which contained the bust of Senator KENNEDY. She purchased this automobile for her private use and only under unusual circumstances does she lend the car to her husband, Mr. ADRIAN HOLBERT, who is the only other member of her family currently residing with her. She maintains the only set of keys for this car. Mrs. HOLBERT stated that on the night of June 4, 1968, she attended choir practice at the Triangular Church of Religious Science, 1938 South Western, Los Angeles, from approximately 8:00 PM to 9:30 PM. In May 1968, Mrs. RADER worked part time, two evenings, as a campaign worker at the Robert Kennedy Campaign Office located on Victory Boulevard near Whitsett Avenue, North Hollywood, California. Mrs. RADER was an enthusiastic supporter of ROBERT KENNEDY for the presidential nomination. On Sunday, June 2, 1968, she went, by herself, to the rally held for ROBERT KENNEDY at the Ambassador Hotel, Los Angeles, California. When she arrived at this rally, she did not feel well. As a result, she did not participate in the activities of this rally at the Ambassador Hotel. Instead, she sat in a chair in the hallway outside of the Coconut Grove Room at this hotel by herself. Her chair was not close to the entrance of the Coconut Grove Room. She was unable to estimate the distance from the entrance, but was sure she sat on the south side of the hotel. There was a large number of people milling around the lobby and hallway near her. While sitting there, she saw an individual standing by a swinging door who she later believed to be SIRHAN SIRHAN. She based her identification of SIRHAN on numerous pictures she later saw of SIRHAN in the newspapers and on television. This individual was just standing there in the hallway and acted as if he were a waiter at the hotel. The reason Mrs. RADER thought he was a waiter was that he carried a white cloth or towel in his left hand. She was unable to describe this cloth or towel further. After seeing this individual for several seconds he disappeared behind the swinging door. The individual, believed to be SIRHAN, did not talk to her or to anyone else. She was by herself at the time she observed this individual. She had never seen him before and she had no knowledge of SIRHAN or his family.

In connection with the investigation of the assassination of Senator ROBERT F. KENNEDY, the Los Angeles Police Department found several items in the vehicle belonging to SIRHAN BISHARA SIRHAN, which was found parked near the Ambassador Hotel on the morning of June 5, 1968 shortly after the assassination took place. One of the items found in the vehicle was a Hollywood Park Race Track parking ticket Number 59600, red in color.

On July 29, 1968, [REDACTED] Hollywood Park Race Track advised that he could not determine the exact date that the above-described parking ticket had been used. He stated that the different colors indicated several different days when this ticket might have been used and that the number could not be used to determine exactly the date of its use inasmuch as these numbers were often repeated after a cycle was completed.

[REDACTED] advised that the dates on which red colored parking tickets were used in the present racing season were as follows:

April 16, 1968

April 24, 1968

May 2, 1968

May 10, 1968

May 18, 1968

In connection with the assassination of Senator ROBERT F. KENNEDY, the Los Angeles Police Department found several items in the car owned by SIRHAN BISHARA SIRHAN. One of these items was a Richfield Oil Company credit card receipt dated May 20, 1968 and bearing license number JWS 093, which is the license number of the car belonging to SIRHAN.

On July 29, 1968, [REDACTED] Richfield Station at 14614 East Dalewood, Baldwin Park, where the above-described credit card receipt was issued, advised that inasmuch as both the hard and flimsy copies of the receipt were found in the car, this would indicate that it had been issued as a cash receipt at the request of the customer. He stated that the number 0377 which was found on the receipt would undoubtedly indicate a \$3.77 purchase and that any other identifying data on the receipt would probably be the date, station number, and initial of the issuing employee.

674 On August 9, 1963, the FBI Washington D. C., received from the United States Secret Service, Washington, D. C., an air mail envelope postmarked "PARIS 03 LA BOETI 12H 13-6 1963" bearing a handwritten address "Edward Kennedy-Ted New York, U. S. A."

The envelope contained a handwritten letter bearing a message in the Serbian language. A translation of the message follows immediately hereafter. These documents were forwarded to the FBI Laboratory for appropriate examination.

RESULTS OF FBI LABORATORY EXAMINATION

THE LIBRARY OF CONGRESS

WASHINGTON, D.C. 20540
TRANSLATION [SERBIAN]

LEGISLATIVE REFERENCE SERVICE
[Senator Edward M. Kennedy]

Paris (France)
June 11, 1968

Dear Brother Kennedy:

Oh, dear God, is it possible that such tragic fate must keep befalling the most noble family of the 20th century, the Kennedys. Please follow the following instructions most faithfully, because a big gang has condemned you, too, to death.

1. Make no statements, not even among your friends or your family, because walls have ears too. Keep quiet.
2. Leave America without delay.
3. Do not get in touch with anyone, not even your own wife, until after the elections.
4. Three months after the elections, you may return to your wonderful and unhappy children.
5. You must take as your companion a hapless Serbian.
6. Do not engage in 1969 in any State affairs.
7. You, unhappy brother Ted, have been condemned to death by the same gang that killed your two brothers. They will kill you on the election day this year. I entreat you as God himself to leave America right away, as soon as you receive this letter.

8. You will find out who I am only after the elections, through your sister in Paris.
9. In 1972, you will become the deserving master of heaven and earth, you will become President of the United States.
10. In 1973, you will avenge your brothers and do away with this gang.
11. For four years, the idiot Johnson has refused to let me settle in Chicago. My entire file is at the Embassy. I should like to ask of you that your sister make it possible for me to settle in Chicago, as I am a political emigre. I am an unfinished student, have not completed my studies. I was an agent of Belgrade, Washington, Moscow, Tel Aviv, and Peking. I was born the same year as you, or, perhaps, a year earlier. I was expelled from France, appealed and my appeal was granted. I look very much like you. I am a teacher by profession, and have completed the work in the Faculty of Philosophy at the University of Belgrade.
12. Let them get me to America in some way. Your sister can do it. I was sick and because of my illness, I was turned down in 1966. My health has now improved, so let them call me for another physical. Your sister can do this for me.

13. To be frank, I am totally impoverished and without money. Now I clean streets. I should like to ask you, therefore, dear brother Ted, for \$1,000 help.

14. I will get in touch by mail with your sister, the wife of the Ambassador in Paris - I'll use the same green pen and tell her who I am.

The youth of the entire world is grateful to John and Bob Kennedy. May they live in eternal glory, and may the black soil in which they rest forever be light to them.

Long live Ted Kennedy, the avenger of his brothers.

In 1972, we shall triumph together. Keep this letter and follow it exactly. [On reverse of envelope] I am poor and have no money to buy a stamp. Forgive me, brother Ted. [On picture] My deepest sympathy to the Kennedys. 1968. An anonymous Serbian.
